Have Faith - April Snow Brings May Flowers

It's May already! Can you believe it? Each year when May comes around I think of the many changes that occur during the month. In the coming days some parents will prepare to celebrate their child's graduation. And countless other students' lives are changing yet again as they transition from one grade to the next. Many college graduates are using these days to apply and interview for their first jobs. And even the seasons are giving way to change as they transition from the coolness of spring to the warmth of summer. (A welcome blessing for those of us who experienced the winter-like weather of April!)

Of course, all of this change can feel scary as it brings with it uncertainty about the future. We get used to the way things have been and we begin to wonder if what comes next will live up to what we know now. I can remember the first time I set foot on my college campus. I tried to act all cool, calm, and collected, but inside I was deeply worried about moving several hours from home, having to find a part-time job, making new friends, and keeping up with all of my studies. I imagine the experience must be similar for those who are transitioning from their life-long home to an assisted living apartment or a long-term care facility. And the same is probably true for those entering into the military or those who are taking their first extended-length trip. The joy of life as it has been can quickly become overshadowed by the fear of the unknown.

Thankfully, our faith leads us back to God, who offers us reassurance in times of uncertainty. In a well-known passage from Jeremiah, the Lord comforted His people at a time when they feared what would come next. "'For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you hope and a future.'" (Jeremiah 29:11, NIV) And in the New Testament, Jesus comforted His disciples as they began to consider what would happen to their little band of believers once He was no longer with them. Jesus said, "Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27, NIV)

People of faith, it can be both exciting and nerve-wracking that we don't know what the future holds. However, we can rest assured knowing that no matter where life takes us, God is already there. So, let us turn over to God the worries about tomorrow that are on our hearts and in our minds; and let us step boldly into our next adventures.

Shalom,
Justin

Wesley Financial Update

General fund receipts as of 3/31/18	\$ 330,589
General fund expenses as of 3/31/18	311,517
	<hr/>
Surplus	\$ 19,072

The Trustees have recently approved updating the sound and video equipment used in Wesley Hall. Several groups use this equipment on a regular basis, such as WISE on Sunday mornings, youth on Wednesday evenings, the recent Lenten lunch series, UMW presentations, and other activities. The old equipment was becoming less reliable and troublesome to use due to the age of the equipment. Using funds budgeted annually for large projects, the Trustees will be able to provide a new projector, updated controls and screen, and more reliable equipment.

Much thought and discussion goes into the decisions on how to best spend these limited project funds each year. Other recent upgrades have included replacement of sanctuary microphones due to changes in FCC regulations, repairs to HVAC equipment, replacement of a freezer compressor, and pump and drainage work. Last year's projects also included a new drop ceiling on the second floor, and landscaping work along Front and McLean Streets, including curb replacements.

Thank You

Thank you to everyone who helped to make this year's Rummage Sale such a wonderful success. Whether you donated, sorted and untangled items, pushed and unloaded shopping carts, folded and put clothes on hangers, picked up and unloaded furniture, measured and bundled things, researched and made labels to price treasures, broke down boxes, baked delicious goodies, carried purchases, promoted the sale, worked as security or a cashier, shopped, or cleaned up after the sale, your help was so very important!

We earned roughly \$34,700 in six hours at the Sale! We are estimating that after expenses are tallied we will have approximately \$30,000 to reach out and share God's love in so many ways - through the UMW missions, youth mission trips, and youth choir tours.

This would not be possible without your generous, kind, caring, and grace-filled hearts.

Blessings to you,

The Rummage Sale Chairpersons
Phyllis Pederson, Frank Newburn, Brenna Martin, Tammy Houtzel,
Lynne Morrison, and Karen Daudelin

Youth Fierce Tour

The Wesley UMC youth choirs hit the road for choir tour this June. First up Newark, Ohio, followed by Washington, D.C. While in D.C. they'll tour FBI headquarters, then head out for an evening concert in Richmond, VA. The next day they'll have fun exploring the area. Next up, off to Charlotte, NC and then they'll finish up their tour in the Lexington, KY area. The last day of tour they'll experience the Ark Encounter before heading home to Bloomington.

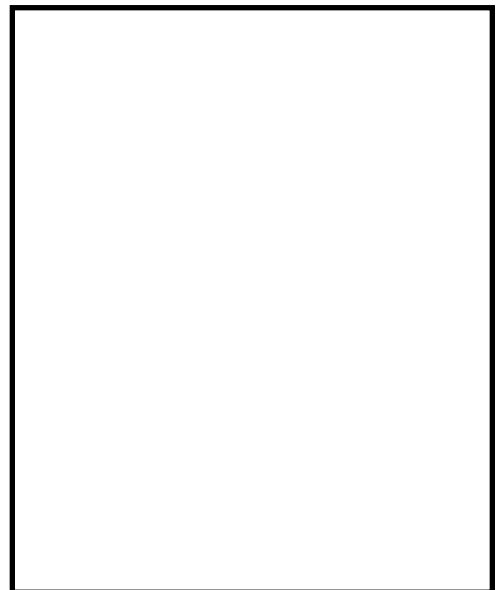

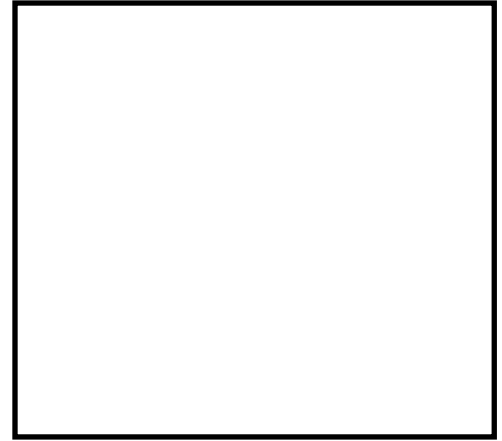

At each stop, the youth choirs will give an hour-long concert featuring four musical ensembles: Jubilation (junior and senior high vocal choir), Celebration Ringers (junior and senior high bell choir), Exaltation (small ensemble of senior high, college and young adult singers) and Bells of Adoration (small ensemble of senior high ringers). Each ensemble will share several musical selections, a mix of contemporary and traditional Christian music. Each concert will also feature a student sharing his or her faith story and special music for children!

Mark your calendars for the home concert on Sunday, June 17 at the 11:15 AM service!

Bell's Bake Sale

Mothers Day is around the corner... Sunday, May 13. Looking for a sweet treat for Mom? We have just the thing. The annual Bell's Bake Sale will be held between services to tempt you, and Mom, with delicious sweets and treats.

All sales proceeds will go directly to support the Wesley Hand Bell ministry. Meet you at the tempting table in the Garden Room!

JUST ONE

Children's books for infants through kids age 12 will be collected during May as the Just One project of the Church and Society Committee. Please leave new or gently used books in the bin across from the Garden Room. These will be given to local families identified by school social workers and family counselors. Heartland Head Start workers will also take some books for home visits.

Just a reminder - Just One has a wood donations box attached to our large collection box in the Garden Room hallway. It was designed to make it easy to contribute with gift cards and monetary donations. Just place your gift card or check (specifying Just One on the memo line) in an envelope and slip it in the slot. Please indicate which ministry you wish to support - either the monthly Just One project or the on-going Wesley Distribution Ministry paper distribution.

Thank you, in advance, for blessing numerous families with your donations and prayers.

Walk to Emmaus 2018 Weekend Opportunities

The walk to Emmaus is an experience of Christian spiritual renewal and formation that begins with a three-day short course in Christianity. It is an opportunity to meet Jesus Christ in a new way as God's grace and love is revealed to you through other believers. The objective of Emmaus is to inspire, challenge, and equip the local church members for Christian action in their homes, churches, communities, and places of work. Emmaus lifts up a way for our grace-filled lives to be lived and shared with others.

Emmaus is open to members of any Christian denomination. Emmaus is for the development of Christian leaders who are 1) members of a local church, 2) have a desire to strengthen their spiritual lives, 3) may have unanswered questions about their faith, 4) understand that being a Christian involves responsibility and 5) are willing to dedicate their everyday lives to God in an ongoing manner.

2018 Walks to Emmaus -

Women: May 3-6 or October 4-7
Men: September 13-16

All Emmaus weekends are held at Spalding Renewal Center in downtown Peoria.

Anyone interested in attending one of these weekends please contact Reverend Keith Ferguson at 309-846-2056.

Mission Trip Update

This summer students at Surge will have two mission trips that they can participate in. Our junior high students will travel to Wisconsin to work at the Christian Discipleship Farm working with children and young adults with special needs. They may be spending one-on-one time with kids, helping make sure a camper gets their medications from a nurse, pushing a wheelchair over rough surfaces, or other various tasks.

Our senior high students will travel to Memphis, Tennessee for a week of mission work and ministry. The team will be partnering with a local church to help with construction projects and help with after school ministries, serve at a homeless shelter, and host a community BBQ event. Both teams will spend an extensive amount of time in personal devotion and Bible Study.

Please pray for us now, as we train and prepare for the two trips; and while we are on the trips this summer, that God might bless us and the people we meet and serve. We look forward to sharing all that God did in and through us during these experiences.

Spring Service Event

During the month of March Surge participated in our annual spring service events. Our girls went to the Midwest Food Bank and the guys went to the Home Sweet Home Warehouse to serve on a Wednesday night. At each location we learned about the long-standing ministry and the far-reaching impact that these organizations have had and how groups like ours make their ministry possible. Our students did a great job of packing food at the food bank and sorting clothes and cleaning at the warehouse. We also enjoyed a delicious pizza dinner before we served.
